

TIMELESS BASICS

≡ NO EXCESS

Founded in 1988, No Excess is a Dutch menswear brand, with a focus on style with comfort. Our sport inspired comfortable men's clothing won't hold you back — allowing you to move freely and push yourself to new limits. Our clothes are created for maximum comfort and wearability, with no compromise on style. We're big fans of the down-to-earth Dutch mentality and our designs reflect this. Whatever you're up to, make sure your clothes feel as good as they look.
